

Full Scale R&D Job Code Workflow, Jan 2024, R1A

What is **System Integration**?

Our systems can consist of multiple unit operations working together to for a cohesive system. Integration is all the stuff in between or making them work together. Examples include system sizing and mass balance, interconnection piping and cabling, system layouts, networking, interface controls, and system level technical specifications

Saltworks Pilot R&D Job Codes and Descriptions

29000044	SWT-BRINEREFINE-CORPORATE-R&D-PILOT	BrineRefine Pilot Scale development and innovation and pilot operations. Includes SLS (Filter press, clarifier) and chemical dosing (Lime, soda, etc)
29000054	SWT-XUF-CORPORATE-R&D-PILOT	XtremeUF Pilot Scale development and innovation and pilot operations.
29000055	SWT-XRO-CORPORATE-R&D-PILOT	XtremeRO Pilot Scale development and innovation and pilot operations.
29000056	SWT-FLEXEDR-CORPORATE-R&D-PILOT	FlexEDR Pilot Scale development and innovation and pilot operations.
29000073	SWT-CORPORATE-R&D-U-OARO_PILOT	U-OARO Pilot Scale development and innovation and pilot operations.
29000074	SWT-LITHIUM-CORPORATE-R&D-BRIX_PILOT	BRIX Pilot Scale development and innovation and pilot operations.
29000075	SWT-LITHIUM-CORPORATE-R&D-LcRx_PILOT	LCRX Pilot Scale development and innovation and pilot operations.
39000061	SWT-SALTMAKER-CORPORATE-R&D-PILOT	Saltmaker Pilot Scale development and innovation and pilot operations.
39000062	SWT-SALTMAKER-CORPORATE-R&D-AIRBREATHING	Airbreather Pilot and Full Scale development and innovation and pilot operations.
69000011	SWT-LITHIUM-CORPORATE-R&D-CRC_PILOT_1_OPS	Pilot1 operations for Lithium Projects. For non-lithium projects (MLD,ZLD, SCR), charge to [Product]-R&D-PILOT
69000029	SWT-LITHIUM-CORPORATE-R&D-CRC_PILOT_1_INTEGRATION	Pilot1 System Integration R&D
69000030	SWT-LITHIUM-CORPORATE-R&D-CRC_PILOT_10_OPS	Pilot10 operations for Lithium Projects. For non-lithium projects (MLD,ZLD, SCR), charge to [Product]-R&D-PILOT
69000031	SWT-LITHIUM-CORPORATE-R&D-CRC_PILOT_10_INTEGRATION	Pilot10 System Integration R&D
69000032	SWT-LAB_INNOVATION-CORPORATE-R&D	General purpose small scale R&D at lab/bench. Lab testing of client waters for BD. Can include materials, consumables, lab time and non-project specific lab analysis

Saltworks Prototype (Full Scale) R&D Job Codes and Descriptions

29000043	SWT-BRINEREFINE-CORPORATE-R&D-PROTOTYPE	BrineRefine Full Scale development and innovation: First of a kind design, automation, prototyping and testing. Product development innovations and performance improvements. Includes SLS (Filter press, clarifier, BMF) and chemical dosing (Lime, Soda,etc)
29000047	SWT-XUF-CORPORATE-R&D-PROTOTYPE	XtremeUF Full Scale development and innovation: First of a kind design, automation, prototyping and testing. Product development innovations and performance improvements.
29000048	SWT-XRO-CORPORATE-R&D-PROTOTYPE	XtremeRO Full Scale development and innovation: First of a kind design, automation, prototyping and testing. Product development innovations and performance improvements.
29000049	SWT-ZLD_SYS_INT-CORPORATE-R&D-PROTOTYPE	ZLD System Integration R&D
29000057	SWT-FLEXEDR-CORPORATE-R&D-PROTOTYPE	FlexEDR Full Scale development and innovation: First of a kind design, automation, prototyping and testing. Product development innovations and performance improvements.
29000069	SWT-LITHIUM-CORPORATE-R&D-CRC_3000_PROTOTYPE	Lithium CRC System Level design and Integration. Includes Lithium specific unit operations without "-LITHIUM-". E.g. BrineRefine for CRC, PUF for CRC.
29000070	SWT-CORPORATE-R&D-U-OARO_PROTOTYPE	U-OARO Full Scale development and innovation: First of a kind design, automation, prototyping and testing. Product development innovations and performance improvements.
29000071	SWT-LITHIUM-CORPORATE-R&D-BRIX_PROTOTYPE	BRIX Full Scale development and innovation: First of a kind design, automation, prototyping and testing. Product development innovations and performance improvements.
29000072	SWT-LITHIUM-CORPORATE-R&D-LcRx_PROTOTYPE	LCRX Full Scale development and innovation: First of a kind design, automation, prototyping and testing. Product development innovations and performance improvements.
39000062	SWT-SALTMAKER-CORPORATE-R&D-AIRBREATHING	Airbreather Pilot and Full Scale development and innovation and pilot operations.
39000064	SWT-SALTMAKER-CORPORATE-R&D-PROTOTYPE	Saltmaker Full Scale development and innovation: First of a kind design, automation, prototyping and testing. Product development innovations and performance improvements.
69000047	SWT-PUF-CORPORATE-R&D-PROTOTYPE	PolyUF Full Scale development and innovation: First of a kind design, automation, prototyping and testing. Product development innovations and performance improvements.
